(Allendale, NJ) One River School of Art + Design is excited to present a solo exhibition of paintings by international artist, Caetlynn Booth. The show features artworks created by Booth over the past few years in her Queens-based studio. The opening reception of *Caetlynn Booth: New Work* will be held on Saturday, February 22nd, from 2:00pm to 4:00pm with an Artist Talk at 2:30 pm. Booth's paintings will be on display through April 26, 2020.

“My work depicts in-between domains that explore both internal and external spaces. Alternating between bodies of work in the studio, cross-pollination leads to unexpected relationships and associations. Each body of work takes as its starting point an element of figurative imagery, such as grasses reflected in a swamp, or the

silhouette of a swimmer. Drawing from imagery developed at residencies and from lived experience, a symbolic language has emerged through which I explore abstraction and metamorphosis.”

Caetlynn Booth is an award-winning artist who has exhibited throughout the U.S and internationally. She was a recipient of a Fullbright Fellowship and a D.A.A.D grant for painting and research. After receiving her MFA at Mason Gross School of the Arts at Rutgers University (2011), Booth completed multiple residencies in Berlin, Germany at I-A-M Institut and GlogauAir. Last year, she and Amy Lincoln had a two-person exhibition, *Perennial Visions*, at Project: ArtSpace New York, and over the past few years, her work has been featured at Pulse Art Fair in Miami Beach with Project: ArtSpace (New York); and received a 2019 Oscar Williams & Gene Derwood Award. Her work is in the collections of the Mississippi Museum of Art and the di Rosa Contemporary Art Center, among others.

## **About One River School of Art + Design**

Founded by Matt Ross in September of 2012 “one river” west of New York City, **One River School of Art + Design** has embarked on a mission to transform art education in America. Its flagship school in Englewood, NJ has taught thousands of students, setting a course to build the first national network of art schools in the United States. Through its innovative franchise program which promotes creative thinking and making in the suburbs, it plans to open 100 new locations across America over the next five years. Today, One River operates 12 schools across 6 states.

One River’s unique gallery program, active in each school, introduces emerging contemporary artists to the local community, fostering important dialogue and self-expression while providing inspiration to One River’s students.
